

## WORLD DIABETES DAY - 10/11/11

A diabetes awareness and diagnosis camp was arranged in **A M Shaikh Hopsital** on 10/11/11 which happens to be celebrated as **WORLD DIABETES DAY**.

Patients who attended the free camp were screened & investigated for detection of Diabetes Mellitus.

The diagnosed cases were counseled on the disease, its likely complications and how to avoid them. Patients were individually guided on diet and change in life style, patients were advised regular follow-ups.

In addition to diabetes number of cases with hypertension was also diagnosed.

This camp was organized by principal of A M Shaikh Homoeopathic Medical College Dr. Nahida Mulla, Dr. I A Khatib & Dr. Saeed along with students and interns.
