

GET TO GETHER OF 1981-1986 BATCH

A get together meet of our 1981-86 batch was organized at Sadanand Regency, a 3 star Hotel on Bangalore-Mumbai highway, Pune on last Sunday, 03/07/2011. The initiation of organizing the meet was taken up by our good friend Dr. Asif Chunawala Just one month prior to his sad demise in a plane crash he had contacted few of our batch mates & had expressed his desire of earliest meet. To fulfill his desire the meet was organized in a short notice.

It was exactly 25 years after we passed out from this college we were meeting each other, Out of 78 students of our batch 43 of us got together that day. There were 6 drop outs due some urgent work & 15 had expressed their inability to attend & 14 addresses were not traceable.

The programme started at 12 noon with welcome tea & registration. For 2 hours we made fun in recognizing each other, reintroducing ourselves, recollecting the names, the past memories, etc.

After a sumptuous lunch we assembled in a Hotel conference room. A 2 minutes silence was observed for the departed soul of Dr. Asif Chunawala. After remembering Dr. Asif, later each one of us spoke for 10-15 minutes about our journey of last 25 years, the ups & down of our lives, & the way we succeeded in reaching enviable positions in our career. Amongst us we found many general practitioners, medical consultants, teachers, politicians, builders, landlords, etc.

It was resolved by us that we should meet once a year at different places. Next meet has been decided to be organized at Goa. Apart from it all agreed to come down to Belgaum for forthcoming Alumni meet to be held at our campus in Nov.2011.

We had group photograph in the evening from a professional photographer. Apart from which hundreds & hundreds of photographs were taken by us.

A fellowship party was started at 8pm which went up to 12 midnight. It comprised of songs, dances, mono actings, mimicries, etc.

This meet gave us a new dimension & meaning for together ness & relationships.
