## Parents Meet 2011 -12 Batch

Shaikh Group of Institution's, A.M.Shaikh Homoeopathic Medical College P.G. & Research Centre organized Parents Meet cum Inaugural function for the batch of 2011-12 in Institute of Engineer's hall at Nehru Nagar, Belgaum on Monday 12<sup>th</sup> September 2011. Dr.Sabina Abid Ali, secretary, Shaikh Group of Institutions was the Guest of Honor and the Chairman & Managing Trustee of Shaikh Group of Institution's Mr.Abu Shaikh presided over the function. The function witnessed a great gathering of parents and well wishers of the new batch, who expressed their happiness and pleasure of sending their children to such a prestigious institute and also asked the staff of the institute to mentor the future homoeopaths in the most competitive way.

The function began with invocation song by Final year students followed by welcome speech by the Principal Dr Nahida Mulla.

AMSC parents meet inauguration on 12.9.11.

Principal Dr Nahida Mulla welcomed the new batch with great amount of happiness and wished them all the best in all their future endeavors. She also ensured the parents of the mentoring of students at the best possible way and creating great homeopaths for the society. She also shared the vision of the founder Late A.M.Shaikh and the various improvements that the Shaikh Group has seen over the period of time. The group with one institute today boasts a wide spectrum in education, from nursery to post graduate courses in management and medical sciences and Engineering. Principal, Dr Nahida Mulla expressed her deep sense of gratitude towards the parents of the new batch and explained the various systems and procedure that are followed in the institute. She also stressed on the importance of parents playing a crucial role in mentoring the students, even when the students are in the college premises at the time of their study. She called upon all the parents and well wishers to also mentor their children at the same time when they are being trained as a accountable homeopath, to serve the needy people. She also cleared various doubts of the parents and the student community. She also shared her own experience of being a part of this great institute as a student and explained the student life by quoting simple, yet effective stories.

Principal Dr Nahida Mulla explained about BMP(Batch Mentor Professor) concept in detail.

Principal Dr. Nahida Mulla addressing the parents
