In System and Human Capabilities.

We aim to be amongst the **PREFERRED INSTITUTES** for serious Students seeking value addition and personality responsible and successful citizens. Our Students should be rated amongst those from the **BEST INSTITUTES** in their respective streams.

***includes Students/ Staff / Parents / Society /
Authorities / Management**

ABOUT SHAIKH CENTRAL SCHOOL

With an intention of imparting education to all age groups under one roof, Shaikh Group Started its own Nursery and Primary school in the year 1999. The school has been very successful in attracting a good number of students due to its excellent infrastructure and conducive learning environment. The greatest advantage of the school has been the vision, dynamic leadership and guidance of Managing Trustee, Mr. Abu Shaikh and Mrs. Atiya Shaikh. Once a child enters this campus, he is surrounded by opportunities to develop himself/herself to be a competent professional in the field of Medicine, Education or management.

PRINCIPAL MESSAGE

I would like to express my honor in being able to serve as the Principal of Shaikh Central School. It is a great privilege and an opportunity to join an organization that places highest values on imparting Quality Education. As principal, I aspire to maintain and strengthen the school's achievements by continuing to foster a rich environment where students are actively involved in meaningful learning.

Within each student there is a leader, a teacher, a doctor, an environmentalist, a writer etc. Education is all about empowering the students to discover themselves and their talents. At Shaikh Central School, we encourage and develop self confidence and to blossom into a healthy teenager and a productive member of the society. We provide the right opportunities for them to develop as individuals.

I look forward to this great task ahead of me in nurturing the young minds in my care.

WELL EQUIPPED AND SPACIOUS CLASSROOMS

The school is equipped with State-of-art and spacious classrooms for the comfort of the students and to provide a congenial atmosphere for study.

2. COMPUTER LAB

The School has provision for computer aided learning from the Class 1 itself to make the students aware of the latest technology available. At the initial stages, when attending the school seems to be a burden to the child, the computer labs have all the Software's required for academic purposes. Hardware and Software is continuously upgraded to cope with the latest technology and trend.

TRANSPORT

The school has its own fleet of vehicles for transportation of students. There are 3 buses for the convenience of the students. In each vehicle a teacher ensures the safe boarding of every student.

HEALTH CARE

Periodical medical check-ups are necessary for the child's development. To ascertain proper growth and health of students, a Medical Officer carries out these check-ups at regular intervals. First-aid facilities are always available to the students. The school also provides parental counseling for slow learners, enabling the parents to cope with the existing situation better.

LIBRARY

The importance of reading has been emphasized with provision for a library. Books, magazines, Journals, Periodicals and News Papers are available at appropriate levels to inculcate reading habit among the students. A spacious reading room is attached to the library where the students sit and utilize their vacant hours in reading. The class Time Table provides a library period to each class once a week. Students are allowed to borrow books from the library.

ABOUT PES&T

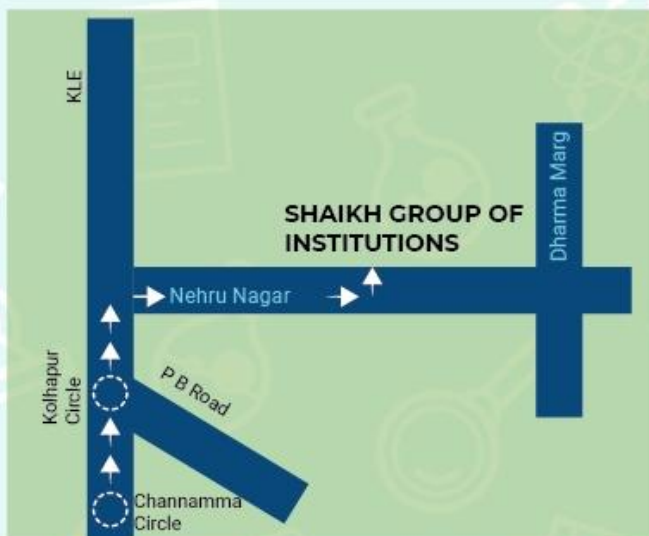

A journey of thousand miles, begins with single step. The People's Education Society and Trust's journey started in 1967, with the establishment of A.M. Shaikh Homeopathic Medical College at Belgaum by the late Dr. A. M. Shaikh. PES & T's main objective is to our youth. It is a matter of great pride that the trust now boasts of 8 institutions which provide educational opportunities to students ranging from Nursery to Post Graduate level that the trust now boasts of 8 institutions which provide educational opportunities to students ranging from Nursery to Post Graduate level in a variety of steams ranging from Medicines to Management. Shaikh College of Engineering and Technology is the latest jewel in the glittering crown of Shaikh Group of Institutions.
