

“WORLD ENVIRONMENT DAY” CELEBRATED AT SPUC.

Earth is our home and we should together make efforts to keep it clean and green! Our environment is our heritage! Preserving and nurturing it is essential for our survival. Shaikh PU College of Science, Commerce, and Arts Belagavi, Celebrated **“WORLD ENVIRONMENT DAY”** on **07/06/2022**.

All students of Science, Commerce and Arts PU II participated with curiosity and enthusiasm.

Planting of one tree and saving it is equivalent of saving many lives. “Earth is everyone’s property and everyone must be responsible for it”

As per the above mentioned quote Our Students of Shaikh Pre University College have taken part in Global duty of planting trees and its nurturing. Students brought some Saplings and Planted in the college campus. They also prepared some charts on preserving and nurturing the environment to create awareness.
