

## SHAIKH CENTRAL SCHOOL ORGANISED INTERSCHOOL SCIENCE EXHIBITION

On 9th September 2022, Shaikh Central School organized Interschool Science Exhibition at Golden Jubilee Hall, shaikh campus Nehru Nagar Belgaum. Chief Guests Dr. G.M. Patil, Scientific Officer, Karnataka State Pollution, Control Board, Belagavi and Dr. Anandmurthy Kulkarni, Principal, Babasaheb Ambedkar College of Education, Examba were present. They inspired, encouraged and motivated budding scientists of all participating schools. The teams performed experiments related to the theme Energy Resource and conservation with great enthusiasm. Students from ten school participated in the event. It was wonderful to watch students performing various experiments which taught them that we and science are made for each other. Chief Guests judged all the exhibits along with the Principal and surveyed the entire exhibition and took details from the respective students about each of their models. Vice Principal Mrs. Deepa Doddabhangi introduced the Chief guests. Prize distribution ceremony started with the Prayer Song. Chief Guest Dr. G.M. Patil announced the winners. Madni English Medium School bagged First place, Jyoti Central School stood second and Islamiya English Medium School came at third place. Chief Guest Dr. Anandmurthy Kulkarni delivered motivational speech to the budding audience on how resources can be made more efficient and about unlimited opportunities in the field of science. He appreciated the efforts by the team involved for the conduct of the event. Principal Dr. Ratna Bendigeri thanked the management and all the staff for making this event a grand success.
