"BELGAUM INSTITUTE OF MANAGEMENT STUDIES ORGANIZED CERTIFICATION COURSE ON BLOCK CHAIN MANAGEMENT FOR BCA STUDENTS."

Mrs. Akanksha Uchagaonkar, CEO, Astute InfoTech was the resource person. She highlighted the following points with practical concepts for the students, such as Block Chain Management on AWS (Amazon Web Services) using AWS services to create, deploy, and manage blockchain networks. AWS offers various tools and services that allow businesses to leverage block chain technology for secure, transparent, and decentralized data sharing.

The program was conducted under the guidance of Ms. Roopa Sakri – Principal, BIMS and Prof. S.B. Hunshal, HOD – BCA.
