CENTRE, NEHRU NAGAR, BELAGAVI.**

**Dr. Premalata Rotti Wins First Prize at International Conference “Explora 2025”**

In a proud moment for A.M. Shaikh Homoeopathic Medical College and P.G. Research Centre, **Dr. Premalata Rotti**, faculty of the Department of Repertory, secured **First Prize** in the faculty category at the recently held international conference “**Explora 2025**”.

The conference was organised by **Father Muller Homoeopathic Medical College**, bringing together academicians, researchers, and practitioners from across the globe to share advancements and innovations in homeopathic science.

**Dr. Premalata Rotti** presented a **scientific poster “Mind a Gate way to the Remedy-a case report on Convulsions”**, showcasing her research expertise and contributing valuable insights to the field. Her work was highly appreciated for its scientific clarity, relevance, and presentation, earning her top honours among numerous participants.

The achievement has brought great pride to the institution, reflecting its commitment to academic excellence and research innovation. The management, staff, and students of A.M. Shaikh Homoeopathic Medical College and P.G. Research Centre congratulated **Dr. Premalata Rotti** on this commendable accomplishment.
