

SHAIKH CENTRAL SCHOOL

CLEANLINESS DRIVE

Shaikh Central School organized Cleanliness Drive at the SGI premises with the objective of creating awareness among students about hygiene and environmental responsibility.

The programme commenced with an enlightening address by **Dr. V. R. Kulkarni**, who highlighted the significance of general cleanliness, personal hygiene, and maintaining a healthy environment. He emphasized that cleanliness is not merely a habit but a social and moral responsibility of every individual.

The event was presided over by **Dr. Sabina Abid Ali**, who appreciated the noble initiative and encouraged students to actively participate in maintaining clean and hygienic surroundings.

Students from Grades 6 to 9 enthusiastically participated in the drive along with their class teachers. They diligently cleaned the campus area, collected waste materials, and spread awareness about environmental cleanliness. Their dedication and teamwork reflected a strong sense of civic responsibility.

The event was successfully organised under the able guidance of Principal **Mrs. Pooja Arolkar** and Vice Principal **Mrs. Deepali Bhosale**. The drive instilled discipline, teamwork, and environmental awareness among the students.

The programme concluded with an inspiring message:

“Clean surroundings lead to a healthy life.”
