

## **AI POSTER MAKING COMPETITION AT SHAIKH CENTRAL SCHOOL**

The AI Poster Making Competition was successfully organized at SHAIKH CENTRAL SCHOOL with the aim of fostering creativity, innovation, and technological awareness among students. The event was thoughtfully planned and conducted by Salina Teacher and Namita Teacher, who guided the students in understanding the concept and significance of Artificial Intelligence in today's rapidly evolving world.

The primary objective of the competition was to encourage students to explore the expanding field of AI and present their ideas through artistic expression. Students participated with great enthusiasm and dedication, creating innovative and informative posters that highlighted various applications of Artificial Intelligence in healthcare, education, robotics, space research, smart technology, and future careers. Many participants also addressed the advantages as well as the ethical considerations of AI, demonstrating a balanced and thoughtful understanding of the subject.

The creativity, originality, colour combinations, and clarity of ideas reflected in the posters were truly commendable. The event provided a valuable platform for students to integrate technology with art, thereby enhancing their research skills, critical thinking, and presentation abilities.

The competition was judged by Mulla Sir and Deepali Teacher, who carefully evaluated each entry based on predefined criteria such as relevance to the theme, creativity, innovation, neatness, clarity of message, and overall presentation. The judges appreciated the sincere efforts of all participants and encouraged them to continue exploring emerging technologies.

The prize distribution ceremony was graced by the esteemed presence of Dr. Sabina Abid Ali, who congratulated the winners and applauded the school's initiative to promote awareness about Artificial Intelligence. The entire programme was conducted under the able leadership and guidance of Principal Mrs. Pooja Arolkar and Vice Principal Mrs. Deepali Bhosale, whose constant support ensured the smooth and successful execution of the event.

The AI Poster Making Competition proved to be an enriching and inspiring experience for the students. It not only enhanced their creative abilities but also

broadened their understanding of modern technological advancements. The event was a grand success and left a lasting impact on all participants.
