## **DEPARTMENT OF PRACTICE OF MEDICINE CONDUCTED GUEST LECTURE ON APPROACH TO CHEST PAIN AND UPDATES ON ACUTE CORONARY SYNDROMES BY DR. LOKNATH MADAGANNAVAR**

Department of practice of medicine of A. M. Shaikh Homeopathic Medical college, Hospital & PG Research centre Belagavi organized a guest lecture for UG students, PG scholars and Faculty Members.

Dr. Loknath Madagannavar is a renowned senior interventional cardiologist of Belagavi was the guest speaker. He secured merit seat through his academic journey. The speaker focused on Approach to chest pain and updates on acute coronary syndromes. He highlighted that ACS can be fatal if not treated promptly within 12 hours; prompt medical attention can significantly improve outcomes and reduce mortality. All the final year students, staff members and PG scholars were benefitted by his lecture.

### **Felicitation of Guest speaker**
