

INAUGURATION OF THE SCIENCE LABORATORY AT SHAIKH COLLEGE OF EDUCATION

SHAIKH COLLEGE OF EDUCATION, BELAGAVI

OFFICIAL OPENING OF THE NEW SCIENCE LABORATORY

Shaikh College of Education marked a significant milestone in its pursuit of academic excellence with the formal inauguration of its state-of-the-art Science Laboratory. The facility was officially inaugurated by **Dr. Sabina, Management Trustee of Shaikh Group of Institutions (SGI)**.

The Inauguration Ceremony

The ceremony commenced with the traditional ribbon-cutting at the entrance of the laboratory. Dr. Sabina, accompanied by faculty members and members of the college administration, performed the honors, symbolizing the beginning of a new chapter for the Science Department.

Following the inauguration, Dr. Sabina addressed the gathering and highlighted the importance of integrating practical scientific exploration into teacher education. She emphasized that modern educators must go beyond theoretical knowledge and engage in hands-on learning experiences.

She remarked that the newly established laboratory has been thoughtfully designed to cultivate a spirit of inquiry, experimentation, and innovation among teacher-trainees.

“Practical science is the bridge between curiosity and knowledge. This lab will serve as a hub for innovation for our future educators.”

— **Dr. Sabina, Management Trustee, SGI**

Guided Facility Tour

Attendees were given a guided tour of the facility, which is equipped with modern scientific apparatus and essential safety features. The laboratory has been tailored to meet the requirements of the B.Ed. curriculum and is structured to help future teachers master the art of scientific demonstration and classroom experimentation.

A Strategic Step towards Academic Excellence

The addition of this Science Laboratory reflects the strategic vision of the Shaikh Group of Institutions to ensure that students receive not only theoretical instruction but also practical training. The initiative aims to empower future educators with the skills necessary to inspire the next generation of school students in Belagavi and beyond.

The event concluded with a vote of thanks extended to the management and the technical team responsible for establishing the laboratory. The Science Laboratory is now fully operational and open for student use with immediate effect.
